"Potentially Infectious" rate applies to Specimens that are from a depositor with positive or incomplete infectious disease testing.

2. Other Fees and Discounts

Item	Amount	Notes
Cryopoint Cancer Patient Program	25% off 1 Year Prepaid and 5 Years Prepaid rates only	**Not available on the monthly autobilling plan.** Qualify directly through Cryopoint; no additional paperwork. Contact us to see whether you qualify.
Transportation / shipping	(ask for quote)	Not included in storage Fees; charged separately (Agreement §6).
Donor screening and testing	(ask for quote)	Applies when you identify a known recipient through a third party.
Late fee	$25 per month past due	Applies only to 1 Year Prepaid and 5 Years Prepaid accounts. **No late fee on the monthly autobilling plan** (Agreement §6).
Collection costs	Actual costs	Collection agency and attorney's fees if your account is in default (Agreement §7).

3. Credit Card Fee (3%)

- A 3% credit card fee is added only when a **1 Year Prepaid or 5 Years Prepaid** payment is made by **credit card**.
- The fee is **waived for the monthly autobilling plan**.
- Credit cards only: no fee applies to debit card, prepaid card, ACH, or check payments.
- The fee will not exceed our cost of accepting the card, and will be shown before you pay and on your receipt.
- The fee is reduced or waived where the law or card network rules limit it.

4. Monthly Autobilling Terms

4.1 Card on file

The monthly plan is available **only with autobilling**. Your credit or debit card is stored securely in Cryopoint's QuickBooks payment account (Intuit QuickBooks Payments). Cryopoint does not write down or keep your full card number on any form. Credit and debit cards are accepted for monthly autobilling. No card fee applies to monthly autobilling; the 3% fee applies only to credit card payments on 1 Year and 5 Years Prepaid plans.

4.2 When you are charged

Your card is charged **$35 (or your applicable monthly rate) on the 1st of each month**, in advance for that month. Your first charge will be made when your Specimens arrive, because storage and pricing start in the month Cryopoint receives them,

with no proration: every monthly charge is for a full month, including the month your Specimens arrive, even if they arrive mid-month. A receipt is emailed after each charge.

4.3 What is charged automatically

Only the monthly storage fee is charged automatically. Other charges (such as transportation) are charged to your card only with your separate approval. If the monthly rate changes, we will notify you at least 30 days in advance (Agreement §6); unless you cancel autobilling before the change takes effect, your authorization continues at the new rate.

4.4 If a charge is declined

- **Retry:** we will retry the charge up to 3 times over 10 days.
- **Notice:** we will notify you by email (and phone, if we cannot reach you by email) within 3 business days after the first decline, and ask you to update your card.
- **Late fee:** no late fee is charged on the monthly autobilling plan.
- **Default:** a declined charge that is not paid stays an unpaid Fee. If it is still unpaid on the **60th day after the 1st of that month**, your account is in default under Agreement §7. Default can lead to collections (§7) and, after written notice, to the Discard of your Specimens (§7).
- Declined or missed charges are not forgiven by later successful charges; we may collect the past-due amount with the next charge.

4.5 Updating your card

Update your card at any time through the secure QuickBooks payment link we email you or by calling 317-350-2083. To apply to the next charge, update at least 5 business days before the 1st. Please never email or mail your card number.

4.6 Cancelling autobilling

You may cancel autobilling by calling the office at 317-350-2083 or emailing info@cryopointllc.com at least **30** days before the next 1st. **Because the monthly plan is available only with autobilling, cancelling autobilling means you must switch to the 1 Year or 5 Years Prepaid plan** at the rates in Section 1 then in effect (plus the 3% fee if you pay by credit card). The prepaid term will start on the 1st after cancellation.

Cancelling autobilling does **not** end your storage or your Agreement; to end storage, call 317-350-2083 or email info@cryopointllc.com with at least 30 days' notice, then sign Cryopoint's termination agreement and final disposition forms (see Agreement §11). Monthly charges already processed are non-refundable (Agreement §6).

5. Card Authorization (Monthly Autobilling)

> **Your card number is collected only through Cryopoint's secure QuickBooks payment link we email you**. Do **not** write your card number on this form or send it by email.

By checking the boxes, initialing, and signing below (electronically or by hand), I authorize BHC, LLC dba Cryopoint to keep my credit or debit card on file in its QuickBooks payment account and to charge it for my first month when my Specimens arrive and then automatically on the 1st of each month for my monthly storage fee under my Cryostorage Agreement, until I cancel autobilling as described in Section 4.6.

☐ I authorize a first charge of $35 (or my applicable monthly rate) when my Specimens arrive, then recurring monthly charges on the 1st of each month.

☐ I understand the 3% credit card fee is waived for monthly autobilling.

☐ I understand what happens if a charge is declined, including that continued nonpayment can lead to default and Discard of my Specimens under Agreement Section 7.

☐ I understand that cancelling autobilling requires me to switch to a 1 Year or 5 Years Prepaid plan.

☐ I am the cardholder, or I am authorized by the cardholder to give this authorization.

☐ I consent to electronic records and signatures for this authorization (Agreement Section 13).
